Koji Hayama/n7 <-* Comment I've been in Imahigashi for 7 years since I went to 11I

Koji I, the game CD "Super Aniki" <0 hits so **I made a**
who is in charge of various games and music, **name for myself in the world.** Jishan,
23rd this year, Nomitsu's "99 secret brothers" **released the latest album on April**
didn't stand out. Released C-Album. Responsible for but there were many cases where it
sampled sound and Wild®! -With the same theme, game music for such big titles Digitally
for you. I've released an et song," said the game I'm waiting
0FM3lia . I did. music world C. Minoru HiMS this time

Hayato Matsuo

"ZU7f-" Graduated from Tokyo University of the Arts in 1991 Since I was a student at the Department of
After that, he also worked on TV animation **X'P dramas**. Composition, I have liked **game** music missions.
tnttKit BGMO comment that we were able to leave it to the writes to create a very lively work . Synth Hoi Laeti
ÿIt's rich, and it's a game ÿ) Is it heavy enough to hold? I was in charge of CBGM together with Mr.
Hayama .

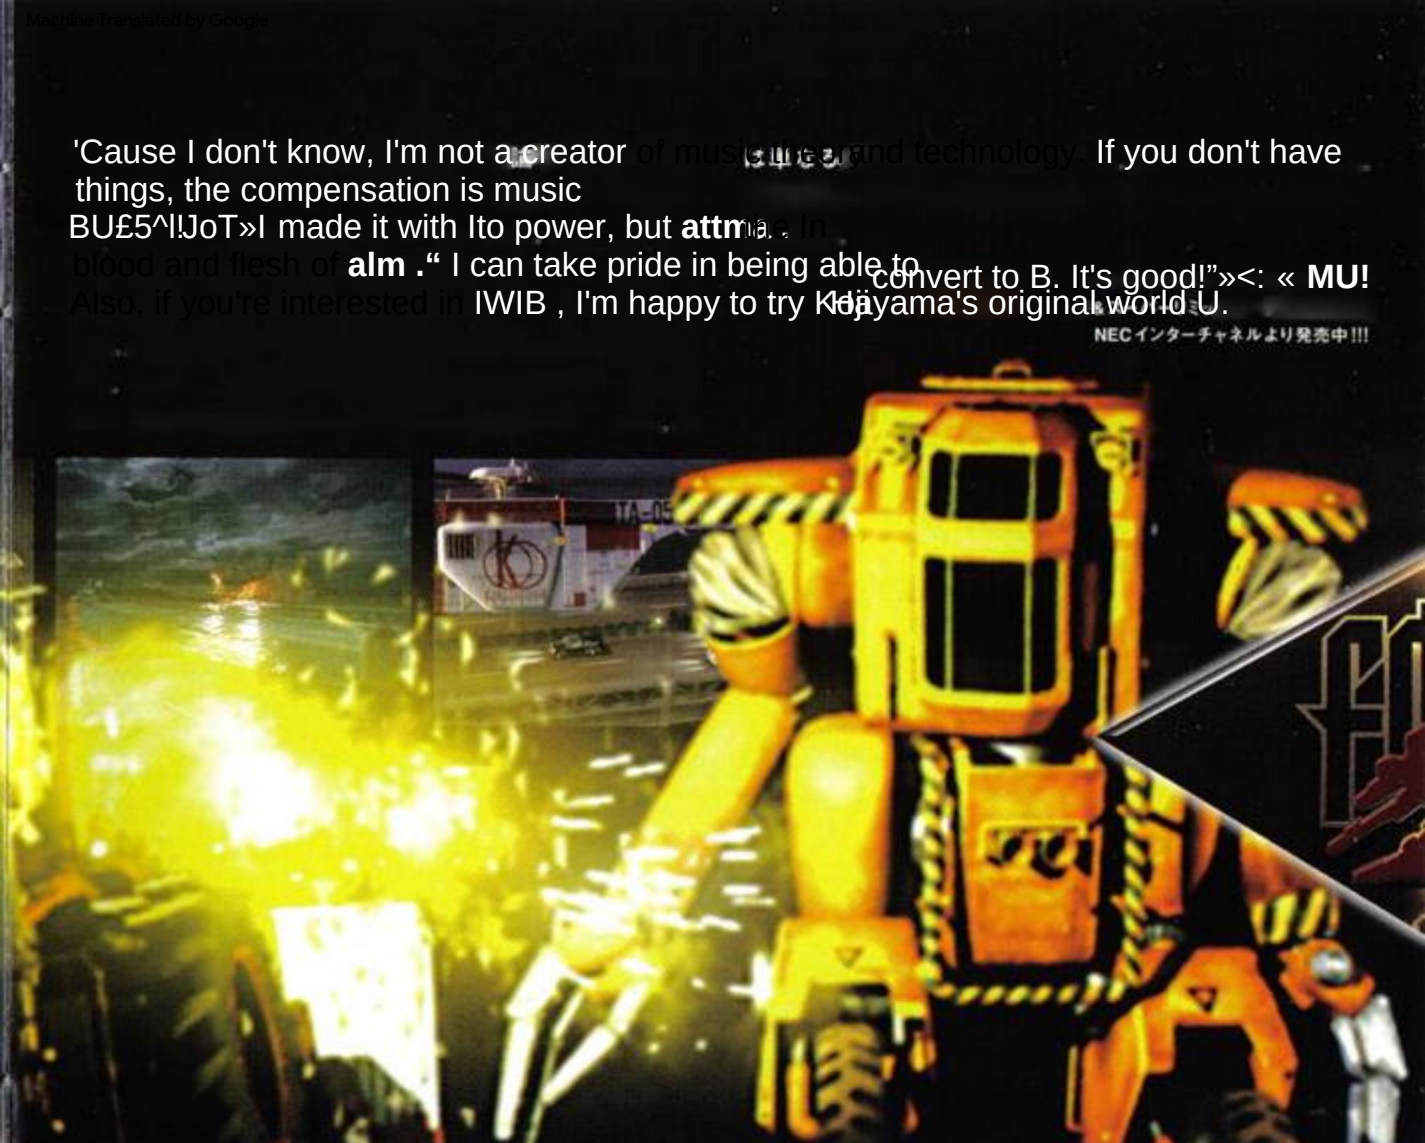
'Cause I don't know, I'm not a creator of music and technology. If you don't have things, the compensation is music
BU£5^l!JoT»I made it with Ito power, but **attm** ma. In
blood and flesh of **alm .“** I can take pride in being able to convert to B. It's good!”»<: « **MU!**
Also, if you're interested in IWIB , I'm happy to try Kaiyama's original world U.



Thanks to Mr. ss of the staff, the quality is high, but the quality is high but it's going to be a bit of a bit of a bit of
